

## **The Academy Bridge Program**

The Academy at Charlemont will offer qualified homeschooled students a chance to try school in a warm and welcoming community.

The Academy Bridge Program offers one academic class of the student's choosing, one studio block class (art, music, creative writing, for example), and the choice to participate in nonacademic activities (such as Mountain Day and social events).

Tuition is \$3500 for the year which includes fees, but does not include meals or transportation. There is no financial aid available for this program. Students are accepted into this program if they are considering applying to The Academy as a full-time student for the following year and are judged qualified through an interview and sample work.

The Academy at Charlemont has a history of successfully integrating homeschooled students into our school, and currently has thirteen formerly homeschooled students enrolled. We anticipate the active involvement of these students in welcoming the new students.

Contact Sandy Warren, Admissions Director, for more information:  
[swarren@charlemont.org](mailto:swarren@charlemont.org) or call the school at (413) 339-4912.

**We will also be hosting a Homeschoolers Visiting Day on January 5, 2012 from 7:50 am to 12:30 pm. Please click [here](#) for more details on this event.**
