

8th ANNUAL CORNUCOPIA AUCTION ~ THANK YOU!!!

The 8th Annual Cornucopia Auction held on November 5th was a huge success, raising over \$17,000 for student programs. Thank you to all the community businesses and individuals who donated a dazzling array of fine arts, services and local products to the auction. The organizing committee would like to thank all the parent volunteers who helped with many aspects of organizing and executing the fabulous evening. Special thanks to Academy seniors and juniors for serving food and general help. We would also like to thank former Academy parent Doug Wilkins who served as auctioneer, West County Winery for providing sparkling ciders, Goat Rising Farm for delicious cheeses, and the Shelburne Falls Wine Merchant for a selection of fine wines and Berkshire Brews.

We are indebted to our underwriters for their continued support in making this event possible:

Peoples United Bank
Borawski Insurance
Florence Savings Bank
