Directions and Parking:

From Northampton, take Route 9 West. Make a right in the center of Williamsburg onto North Street. You will see the Williamsburg Market and Florence Savings bank on your right. Continue straight across the bridge and straight on North Street. Our house is the second on the left. (There is a white house on the corner and ours is the next one—olive green with cream trim.)

From Shelburne Falls and points west take 112 in Charlemont to Route 9 East in Goshen. Make a left in the center of Williamsburg onto North Street and follow directions above.

Our driveway is small. A few cars can park there. Others can park on the cross street (North Main Street) or at the Florence Savings Bank and walk up to the house. It is not safe to park on North Street. Please enter at the side porch off the driveway.
