Greetings and Happy Summer!

We are so pleased to share our 2020-2021 book list and summer reading. For those of you returning, we miss you. For those of you joining our school, we look forward to a long and fruitful partnership together. The Academy is a special place and we look forward to having your family as part of our community.

As we offer for all grade levels, what follows is the 10th grade book list for the 2020-2021 school year. All books should be purchased prior to the beginning of the school year. We are providing you with the title, author, and ISBN number for each text. We ask that you support local bookstores if at all possible.
