Greetings and Happy Summer!

We are so pleased to welcome your family to our Academy community, and look forward to a long and fruitful partnership together. As happens from time-to-time across all grade levels, 6th grade will have a combined class with the 7th grade. In this case, the course is science.

As we offer for all grade levels, what follows is the 6<sup>th</sup> grade book list for the 2020-2021 school year. All books should be purchased prior to the beginning of the school year. We are providing you with the title, author, and ISBN number for each text. We ask that you support local bookstores if at all possible.

If you have questions about Math or Science, please e-mail John Schatz at [jschatz@charlemont.org](mailto:jschatz@charlemont.org). If you have questions about anything else, please e-mail Neale Gay at [ngay@charlemont.org](mailto:ngay@charlemont.org).
