Greetings and Happy Summer!

We are so pleased to share our 2020-2021 book list and summer reading. For those of you returning, we miss you. For those of you joining our school, we look forward to a long and fruitful partnership together. The Academy is a special place and we look forward to having your family as part of our community.

As we offer for all grade levels, what follows is the 9<sup>th</sup> grade book list for the 2020-2021 school year. All books should be purchased prior to the beginning of the school year. We are providing you with the title, author, and ISBN number for each text. We ask that you support local bookstores if at all possible.

If you have questions about Math or Science, please e-mail John Schatz at [jschatz@charlemont.org](mailto:jschatz@charlemont.org). If you have questions about anything else, please e-mail Neale Gay at [ngay@charlemont.org](mailto:ngay@charlemont.org).

## 9<sup>th</sup> Grade Summer Work

**9<sup>th</sup> Grade English** - Mary Shelley's *Frankenstein*

- Read the introduction, preface, and chapters 1-3. As you read, mark instances in the text that you find profound. Those will become fodder for our first class discussion of the year.

**French I and II** - Your summer work is attached to the same email as this letter.

**Spanish II** - *Inca Safari* by Aubrey Smith-Carter and Addison Wesley 1995. There are Conjuguemos activities to practice the vocabulary from this reading: look for Sp 2, Inca Safari activities. Feel free to do any of the Conjuguemos activities beyond that. There will be a class-wide reward for 160 Conjuguemos activities successfully recorded among the class before September. That would be, for example, 5 people doing 4 activities a week through July and August.
