COURSE & TEXTS

As we offer for all grade levels, what follows is the book list for the 2026-2027 school year. All books should be purchased prior to the beginning of the school year. We are providing you with title, author, and ISBN number for each text. It is important that books match the ISBN number, as matching numbers ensure that every student has the same edition as their teacher. We ask that you support local bookstores if possible.
