Greetings and Happy Summer!

What follows is the summer homework for rising 9th grade students, as well as the 9th grade book list for the 2017-2018 school year. All books should be purchased prior to the beginning of the school year. In an effort to save families money, we are providing you with the ISBN number for each text. This will allow you to shop around a bit on the Internet to find the best price for books. It is important that you purchase the correct edition of each book, and the ISBN ensures that you will receive the correct book with the correct publisher and edition.

If you have questions about French, Spanish, Math, or Science, please e-mail John Schatz at jschatz@charlemont.org. If you have questions about Latin, or Humanities, please e-mail Neale Gay at ngay@charlemont.org.
