Due to the small and inclusive nature of our school, teams vary in size and breadth from year to year. More popular sports may be single gender teams and/or have both a Varsity and Junior Varsity team, which are split by 10th-12th grade and 7th-9th grade, respectively. Other teams may be coed or include students from 7th through 12th grade.

Candidates should apply online at <http://www.charlemont.org/welcome/employment/> and email athletics@charlemont.org with any questions.
