## 2021-2022 Lower School Book Lists

### Class Books

As we offer for all grade levels, what follows is the book list for the 2021-2022 school year. All books should be purchased prior to the beginning of the school year. We are providing you with the title, author, and ISBN number for each text. It is important to make sure that the book you order matches the ISBN number, as matching numbers will ensure that students have the same addition as their teachers. We ask that you support local bookstores if at all possible.

If you have questions about books, please contact Neale Gay at [ngay@charlemont.org](mailto:ngay@charlemont.org).

**Texts Provided by The Academy:** The Academy provides all 7th and 8th grade students with science, math, and social studies texts.

Our French and Spanish teachers will contact and bill families prior to the beginning of the school year for language texts.
