## The Academy at Charlemont Bus Route Rates, 2024-25

The Academy works with Travel Kuzmeskus to operate two bus routes. Bus passes are available for both routes. If a student has a pass for either Route #1 or Route #2, they may ride the other Academy bus at no additional charge. Although there is usually additional seating on each route, we are unable to guarantee a seat for students without bus passes. Students without year long passes may ride these routes by signing a designated clipboard as they get on the bus. These trips will be tracked and families will be invoiced. These routes do not take cash.

**Families have already signed up for these passes via TADs and will be billed through TADS.**
