

## **Find Your Voice. Speak Your Mind.**

### **Part-time Math & Science teacher**

The Academy at Charlemont, nestled in the foothills of the Berkshire mountains, has been providing an exceptional college-preparatory education to students for over 35 years. Our motto, *Find Your Voice/Speak Your Mind*, is the prism through which our faculty teaches as we seek to honor each child as a learner, partner, and explorer. The Academy is a special place to work.

The ideal candidate would have some experience teaching middle or high school mathematics and/or middle school science both in person and online. A candidate must also possess the interest and energy to thrive within a lively work pace, a genuine appreciation of adolescents, a sense of humor, and the ability to work as part of a team.

Candidates should apply online at <http://www.charlemont.org/welcome/employment/>.
